

RACE DAY INFORMATION

Arrival at Coosaw Point: Plan to arrive no later than 9:30am. We will have a big crowd...please carpool if you can. The neighborhood roads will be shut down at 10:15am in preparation for the race and to ensure runner safety.

Directions: To map it, use: 20 The Horseshoe, Beaufort SC. From downtown Beaufort, cross over the Beaufort River to Lady's Island and go one mile; turn left onto Highway 802 (Sam's Point Road) 5.5 miles to Coosaw Point entrance on your left. When you see a long green fence, get ready to turn left.

Important information:

If you need to check in and pick up your bib, please proceed immediately to the porch of the Coosaw Club to visit the registration table to pick up your bib. If you already have a bib, you will not need to visit the registration table on race day.

If you are submitting chili to the cookoff, please deliver your chili to the Chili Cookoff area behind the Clubhouse. You do not have to man your chili pot, they are self-serve

BATHROOMS: Three locations: In the pool area, in the Club House, and 2 portajohns at the Chili Cookoff area.

READ CAREFULLY: Race route information, runner safety, and race courtesy:

- The route will be marked and volunteers will be posted along the way to direct.
- This race is headphone-friendly, however, please keep your race day playlist turned down low enough to hear fellow runners and volunteers.
- If you plan to run with a stroller or dog, please line up near the back of the pack. Your dog must be leashed at all times. Please pick up after your dog.

- Walkers please line up near the back of the pack. Please do not walk more than two people wide and stay to the right. The 10k runners will need to get by you on their second lap - you do not want to be in their way.
- This is a semi-closed course. Please be alert and aware of cars that may enter part of the route. Volunteers will be on hand to direct when needed.
- Spectators are encouraged and welcomed along the course!
- Two water stations on course. Water will be distributed on-course by Island Realty.
- Golf carts will scoop up any stragglers who need a lift back to the finish line.

Special instructions for the 10k runners:

- The 10k route is 2 laps of the 5k loop.
- After your first lap, do not enter the "Horseshoe" start/finish area. Continue past the turn to the finish line and start your second loop. Volunteers will be here to direct. Please pay attention to them and signage.
